Between
YAHWEH WELLNESS LOUNGE
And
THE MEMBER

By joining the Yahweh Wellness Lounge, a private unincorporated wellness association, (The "Association" hereafter), and/or any website or social media group started by, created by, maintained, or organized by the Association, the "Member" agrees to the terms and conditions of this Member Agreement, as follows:

1. I understand, agree and affirm the only public offering the Association has made to me has been to be part of the membership of the Association; and
2. I understand and agree the products and services offered via the Association will be exclusively for members, and limited to products and services offered to a specific level of membership, if applicable; and
3. I understand and agree the scope of this Agreement is contractual and includes, yet is not limited to, access to all pertinent assets utilized for operating the membership at my level, such as websites, social media groups, video conferences/meetings, online and in-person events, gatherings, premises, documents, and more, and that all assets are strictly for membership use only, and are to be held to a honourable level of confidentiality and not to be shared with those outside the membership, without the express authorization of the administrators of the Association; and
4. I understand, agree and accept that the Association is comprised of a spiritually driven meeting of the minds of those of mankind, who seek to act in and serve the world responsibly in accordance with the principles of the Association; and
5. I understand, agree and accept that the Association operates entirely in the private domain and shall be governed within that inherent jurisdiction, by contract law, without the public, as outlined in the Association's Constitution, and with respect to the contract laws of Alberta, Canada; and
6. I understand and agree that the nation of Canada also acknowledges the unlimited right to contract privately, unless he or she is acting with function or agency for the Government; and
7. I therefore affirm I am applying for membership in the Association in my private capacity as one of mankind; and
8. By applying for membership, I affirm and declare I am not performing any function of Government, acting in any capacity of a public agent for the Government, in any legal authority, title or capacity, seeking to enforce any kind of legal Act, Code, or other Statute, nor represent any governmental policy or program within the Association or while participating in activities of the Association; and
9. I understand and agree that I am fully aware of the risks and obligations associated with engaging with the products and services offered through the Association, for which I take and assume full responsibility for the decision to participate in any such product and/or service and indemnify the Association of all liability rights except for willful intent to harm and breach of contract; and
10. I enter into this membership agreement of my own free will, without any pressure or coercion, and affirm that any concerns I may have had have been answered fully to my satisfaction; and
11. In the case of those under my care, I affirm that those listed as part of my membership are those of mankind over whom I also have legal authority as guardian and/or custodian, and that I affirm that, in both the public and the private domain, I have the right to contract for and on their behalf; and
12. I consent to waive any right I may have had to file any kind of public legal suit, case or complaint against the Association, and/or those who hold membership within the Association, as provider or user, without fully exhausting the membership's Dispute Resolution Protocol, outlined in Article XIII of its Constitution; and

13. I understand and agree that initiating a legal suit or complaint before exhausting the Association's Dispute Resolution protocol, will be considered by the Association to be a trespass by way of breach of contract and that the Association has the right to hold me liable to pay compensation in the amount of Ten thousand ($10,000 CAD) Canadian Dollars, plus Ten ($10 CAD) Canadian Dollars per minute to the Association said trespass continues [to discuss]; and
14. I also understand that I can withdraw from this membership agreement and terminate my membership in this Association at any time with thirty (30) days written notice in accordance with the terms outlined in the Constitution of the Association;
15. I understand and agree the same notice applies to the Association with the caveat that the Board of the Association reserves the right to terminate my membership immediately IF my actions are deemed to be a burden, menacing, irresponsible, destructive, irrational, belligerent or harassing upon the members, and/or are not in the best interest of the Association, and all access to any property provided through the Association shall cease immediately thereafter; and
16. I agree to hold any and all knowledge of information and Association dealings in confidence for a period of no less than two (2) years beyond the end of my membership;
17. I understand and agree this level of membership affords me no voting or ownership rights in Association property;
18. Consideration: I understand and agree there is a voluntary fee of $3.33 Canadian Dollars in exchange for a lifetime membership and in consideration for access to the Association's member-only products and services. The Association reserves the right to adjust or waive the fee under certain conditions or circumstances decided solely by the Board of the Association on a case-by-case basis.

These pages consist of the entire agreement for my membership in the Association, and no amendments or modifications to this Agreement shall be valid unless made in writing and signed by both parties; and

I agree this contract began on the date of my voluntarily joining the Association and I declare that by joining the Association, and/or the Association's websites and/or social media group(s), I have carefully read and understood the whole of this document and I understand and agree to be bound by it.
